**SEEKING SOLUTIONS TOGETHER**

On Easter Sunday and Easter week the Orthodox tell jokes. They do this because God pulled a joke or prank on Satan by letting him think that the death of Christ was the final word. God humorously gave the resurrection to "tickle" Satan with something greater than his evil.

Dave Shimko reminded me of these jokes:

What is Irish and stays out all night?

Paddy O'Furniture!

\*\*\*\*\*

What do you call ten rabbits walking backwards?

A receding hare line!

\*\*\*\*\*

Add some of your own to tell on Easter Sunday and all seven weeks of Easter.

As the Russians say: "Are you hanging wet noodles over my ears?"

Thanks for everyone who gave their time, talent, treasure or cards or gifts to make this Easter extra special.
